

# Key Steel

"Why compete against your supplier when you can be our partner"

Finer Power Transmissions carries a wide range of Key Steel in both Metric and Imperial Sizes. Individual pieces are clearly marked for quick identification.

Specifically manufactured from steel designed for keyways, it can be used in situations where a shaft has a keyed drive running off it.

Finer Key Steel is fully zinc coated to further protect it from environmental factors.

ASSORTMENT

IMPERIAL	
Size	App. Kg
1/8 x 1/8	0.02
