

Rust Prevention & Conversion

SF 7467™
Rust Prevention

Item Number: 2773062

Amber, water-based, liquid surface treatment that delivers 48-hour protection against flash rust on large surfaces. Straightforward spray and wipe application.

**SF 754™ /
SF 7625™**
Rust Converter

Item Numbers: 234981 / 160802

Converts existing rust (rust required) into a stable base. Cured product acts as a primer ready for painting with oil or solvent-based paint. Protects surface from corrosion. Use on metal pipes, valves, fittings, outside surfaces of storage tanks, fences, guardrails, wrought iron furniture, conveyors, and construction and agricultural equipment.

Replace or Repair O-Ring Seals

**Inch O-Ring
Making Kit™**

Item Number: 473154

Eliminates the need for an inventory of different sized O-rings. Joints resist water and oil and are as strong as the rubber itself.

**Metric O-Ring
Making Kit™**

Item Number: 473153

Eliminates the need for an inventory of different sized O-rings. Joints resist water and oil and are as strong as the rubber itself.
