## **Rust Prevention & Conversion**

SF 7467<sup>TM</sup>
Rust Prevention

#### Item Number: 2773062

Amber, water-based, liquid surface treatment that delivers 48-hour protection against flash rust on large surfaces. Straightforward spray and wipe application.

#### Item Numbers: 234981 / 160802

Converts existing rust (rust required) into a stable base. Cured product acts as a primer ready for painting with oil or solvent-based paint. Protects surface from corrosion. Use on metal pipes, valves, fittings, outside surfaces of storage tanks, fences, guardrails, wrought iron furniture, conveyors, and construction and agricultural equipment.

# Replace or Repair O-Ring Seals

### Inch O-Ring Making Kit™

### Item Number: 473154

Eliminates the need for an inventory of different sized O-rings. Joints resist water and oil and are as strong as the rubber itself.

### Metric O-Ring Making Kit<sup>™</sup>

### Item Number: 473153

Eliminates the need for an inventory of different sized O-rings. Joints resist water and oil and are as strong as the rubber itself.
