

## Rust Prevention & Conversion

**SF 7467™**  
Rust Prevention

Item Number: 2773062

Amber, water-based, liquid surface treatment that delivers 48-hour protection against flash rust on large surfaces. Straightforward spray and wipe application.

**SF 754™ /  
SF 7625™**  
Rust Converter

Item Numbers: 234981 / 160802

Converts existing rust (rust required) into a stable base. Cured product acts as a primer ready for painting with oil or solvent-based paint. Protects surface from corrosion. Use on metal pipes, valves, fittings, outside surfaces of storage tanks, fences, guardrails, wrought iron furniture, conveyors, and construction and agricultural equipment.

## Replace or Repair O-Ring Seals

**Inch O-Ring  
Making Kit™**

Item Number: 473154

Eliminates the need for an inventory of different sized O-rings. Joints resist water and oil and are as strong as the rubber itself.

**Metric O-Ring  
Making Kit™**

Item Number: 473153

Eliminates the need for an inventory of different sized O-rings. Joints resist water and oil and are as strong as the rubber itself.
